Commissioner Jane E. Henney
Parklawn Building, Rm 14-71
5600 Fishers Lane
Rockville, MD 20857

Commissioner Henney,

I urge you to save human lives by banning the use of medically useful antibiotics in animal feed.

Adding antibiotics to feed in order to promote growth can make bacteria resistant to those antibiotics. That can leave physicians with no way to treat life-threatening bacterial infections in humans.

Please take whatever action is necessary to ban the use of medically useful antibiotics in animal feed.

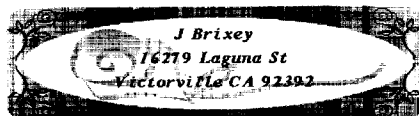

Thank you.

Sincerely,

Joyce E. Brixey
